Dianne,

We are pleased to enclose 10 identical copies of our conceptual design presentation of the Northville Downs development project for Planning Commission's review. We would like to come before Planning Commission for conceptual review to present our project requesting no action be taken at this time. If you have any questions or comments prior to the anticipated Planning Commission meeting on August 17th, please call us at 248 539 5511.

Regards,

Randy Wertheimer
